<p>“Many of both the learned and unlearned seldom go to church, and in general do not attend to their spiritual education, looking upon it as unnecessary and giving themselves up to wordly vanity. Attention must be paid to this. It is the fruit of pride..... they consider attendance at church and the Divine Services as the business of the common people and women, forgetting that, in the temple, Angels officiate with trembling, together with men, and regard this as their highest bliss”.</p> <p style="text-align: right;">(St John of Kronstadt - My Life in Christ)</p>			<p>1 (Feb. 16 Фев.) <i>Martyrs Pamphilus & Co.
