

It's Time! ... again ...
For our "Toys for Kids" Drive
for the Christmas Season 2022.

Dear Brothers and Sisters:

THIS YEAR - LET'S COMPLETELY FILL UP Father Dimitri's VAN !

The children who will receive these gifts are children that are ill and/or in hospitals.

Over the last two years (2020 & 2021) this toy drive,
sponsored by the Westport Police Department....

provided over 2000 kids a Christmas gift..

Most of whom would not have received anything at all...

The toys will ultimately be distributed at:

Bridgeport Children's Hospital, Saint Vincent's Medical Center, and
Connecticut Children's Specialty Care in Fairfield.

Please bring a new, unopened, unwrapped toy
for a child of any age group to:
