“...Let us therefore strive to preserve the holiness of our souls and guard the purity of our bodies with all fervor...” – St. Nicholas the Wonderworker

We have to be aware that what is being pounded in upon us is all of one piece; it has a certain rhythm, a certain message to give us, this message of self-worship, of relaxing, of letting go, of enjoying yourself, of giving up any thought of the other world, It is actually an education in atheism. We have to fight back by knowing just what the world is trying to do to us.....
